SAFARI - eclectic mix of prints, weaves, embroideries, and jacquards

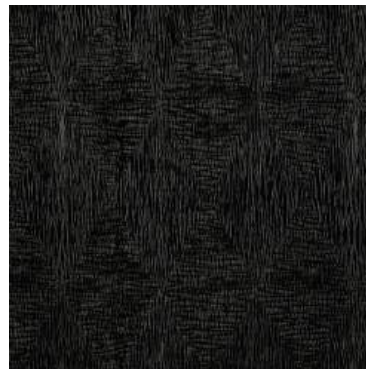

Venture into the wild with Safari, an eclectic mix of prints, weaves, embroideries, and jacquards. Presenting stylised interpretations of African fauna and flora, the collection features free-flowing prints of prowling jungle animals presented on a range of qualities, maintaining an air of sophistication throughout. These go hand-in-hand with contemporary geometrics, tactile textures, and intriguing techniques for maximum interest. Hints of metallic, as well as a palette spanning rustic neutrals through to vibrant oranges and statement darks, place a luxurious yet versatile spin on the laid-back safari theme.
