

SCULPT- textured chenilles with embossed finishes

Artistic flair and beautiful formations remain central to the Sculpt Collection. Inspired by the work of famous sculpture artists, a trio of textured chenilles showcase embossed finishes and intriguing 3D effects. Interest is created through a range of techniques, from dappled finishes reminiscent of traditional stone carving to wave patterns imitating clay modelling. A bank of rich jewel tones emphasises the opulence of Sculpt. On-trend shades of deep brown, warming ambers and verdant greens are just snippets of the collection's palette, which amplifies the interest of every technique.
