

SUMMER HOUSE ~ decorative tile designs, foliage embroideries and linen look palm designs

Offering a subtle nod to the trend for tropical decor, Summer House brings a laid-back look into interiors. From decorative tile designs and foliage embroideries to linen-look palm prints and a beautiful burnout sheer, Summer House's eight designs create a tropical sanctuary in any living space. The collection's colour palette enhances this feeling of calm, embracing soft green, tranquil blue and earthy terracotta shades that work together harmoniously to bring a relaxed feel into the home.
