

Wander through the woodlands of charming country estates with Sutton Park. Subtle illustrations of foliage and fauna hint at the whimsicality to follow. Inspired by grand architecture within country houses, a selection of weaves and embroideries complement the collection's sophisticated florals, whilst a woven floral design showcases a two-tone effect for an unexpected twist. A light and elegant palette, encapsulating soft apricots and neutrals to rosy pinks, gives a nod to the classic country theme, whilst highlighting the beauty of each design.
