TAMBO - Aztec influences meet the iconic Bohemia style

Aztec influences meet the iconic Bohemian style in Tambo. The collection's myriad of textures have been inspired by global craftsmanship, evident in its diverse and unique designs. A striking ikat print featuring an ombre effect sets the tone for the travel-inspired excitement to follow. Hints of the bohemian aesthetic become apparent through textures such as a checkerboard dash weave, rope embroidery, and embroidered stripe, whilst paying homage to the collection's Aztec influences. A rich palette of Cactus greens through to shades of Cinnabar amplifies the individual beauty of each texture. Ombre effects running throughout the collection truly highlight the depth and interest of certain designs.
