

TUSCANY - timeless weaves inspired by Mediterranean culture

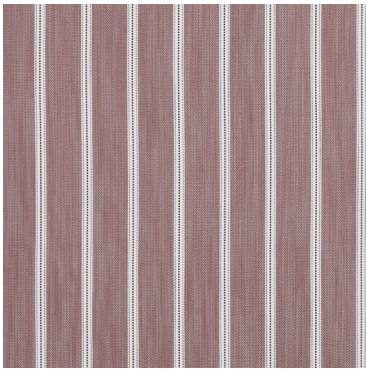

A modern take on a classic story, Tuscany renews the timeless appeal of stripes with a selection of liveable designs. Mediterranean landscapes were the blueprint for the collection, with each fabric showcasing a range of weights. Finishes span a herringbone stripe to a block stripe with subtle dot detail. These are complemented by two pretty small-scale weaves, Donata and Bettina, which share a charming yet useable feel. Tuscany's palette stays true to the collection's roots. Shades of Fig and Olive through to Sunshine capture the essence of Mediterranean culture.
