

How to Set Up a Universal Remote – Video Transcript

Setting up the Cable One universal remote to control both your TV and digital receiver.

Please note these steps are for the Cable One remote only. For any other remote, please refer to that remote's owner's manual.

Step 1: Power on your TV, and then press the 'TV' button on your remote.

Step 2: Press and hold the 'Setup' button. The LED will blink twice.

Step 3: Press 9-9-1. The LED will blink twice.

Step 4: Press the 'Power' key.

Step 5: Press the 'Channel+' button until the TV turns off.

Step 6: Press 'Setup' when the TV turns off. You will now be able to control your TV and digital receiver using just the Cable One remote.

If you are still experiencing technical difficulties, please contact the Cable One Technical Care Center at support.cableone.net for more assistance.
