The California Teachers Association, or CTA for short, gives educators the power to make real improvements for students, public education and our communities. We can compel change when we have a collective voice. *We will be a stronger union with you in our ranks.*

5 Ways We Will be Your Advocate, Your Partner and Your CTA.

1

We'll make sure you have a seat at the table

As a member, you have the right to participate in the decision-making process.

Not only do you have a strong and credible voice in legislative discussions, you are part of a collective voice in your school district when it comes to bargaining for better learning and working conditions, smaller class sizes, support for new educators, and professional pay.

2

We'll champion rights for all students

Our first such victory was in 1866 when we secured universal free public schools for all California students, including those that educated African America students. We've been standing up for students and championing the human and civil rights of all since our inception.

As a CTA member, you help us continue to make our schools and state a more welcoming place for all students.

3

We'll help you build your skills

As a member, you can access trainings to improve professional skills and apply for grants for school projects and innovative educational ideas.

Plus, there are many state and nationwide conferences designed where you can sharpen your skills, share your expertise and grow your network.

4

We'll have your back

You are the expert. Work in confidence knowing that CTA Legal Protection and \$1 million Liability Coverage safeguards you as you make a difference.

The power of 325,000 colleagues will be with you and will protect against arbitrary or unfair treatment. As a CTA member, you're not alone.

5

We'll save you money

Yes, you read that right! As a member, you can enjoy almost 50 voluntary programs and services that are designed especially for you and your family.

There are life, disability, auto, and home insurance discounts. The most exciting savings are those you can use every day while you're out shopping, taking in a movie or planning a vacation. And they easily add up. With our GPS-enabled app the deals will find you!
