WARNING

Many Cafeteria or Flex Plan district plan administrators sell insurance products and may use the district's enrollment periods to steer you towards products not endorsed by CTA. Please be sure to compare coverage, premiums, and policies to the CTA-endorsed plan before making a selection.

Also, many districts have hired a third-party administrator (TPA) to administer their 403(b) plan. Sometimes the TPA is affiliated with a 403(b) vendor. This can create a conflict of interest if the 403(b) third-party administrator is influencing the list of approved vendors or using its position to sell products. Be sure to check out all your investment options, including the CTA 403(b) Retirement Savings Plan, before deciding.
