

White labelling material for your clients

Challenger are committed to helping you provide relevant and useful information to your clients. We are therefore producing some of our material in an unbranded format, or 'white label'. These will enable you to add your firm's logo, disclaimer, and contact details.

Step 1:
Click on the icon in the bottom right of the document to add your logo as a .jpeg or .png file. The logo will automatically scale to size.

Nb. If you use Adobe Acrobat Pro then the placeholder icon shown here may not be present. However, you can still add your logo by clicking in this area of the document.

Step 2:
Add your contact details in this editable text box.

Step 3:
Add your disclaimer details (if necessary) in this editable text box.

Nb. If you want your disclaimer text to align with the bottom of the document, press 'Enter' at the top of the text until aligned.

Identifying white label material

Our white label documents will be produced in a neutral beige colour (as seen in the examples above) and can be identified on our website when you see this logo.

For any queries relating to our white label documents, please contact your Challenger BDM, email info@challenger.com.au or call our Adviser Services team on 1800 621 009 (Challenger).
