SPONSORSHIP OPPORTUNITIES

Help us help kids

For nearly 130 years, Children's Wisconsin has provided exceptional pediatric care to kids and families. Our vision is for Wisconsin's kids to be the healthiest in the nation, but we cannot achieve this vision alone. The generosity of our community and corporate partners allows us to provide the very best and safest physical, social and mental health care to those we serve. We hope you will consider making a strategic investment with us.

Event impact

This year marks the 6th annual Children's Wisconsin Hollywood Movie Night presented by Marcus Theatres. The exclusive event gives kids and their families a "blue carpet" experience they'll never forget! Marcus Theatres will premiere one of the most highly anticipated family-friendly movies of the season before its official release. The evening features movie-themed activities for all ages and delicious food and drinks. Since it began, this event has raised more than \$500,000 for Children's.
