

Healthy Smiles, Healthy Kids Challenge

In 2022, the Delta Dental of Wisconsin Foundation generously donated \$1 million to support the expansion of the Children's Wisconsin Milwaukee campus dental clinic, designed to increase access to oral health care for some of the state's most vulnerable and underserved children.

Half of this \$1 million commitment was designed as a dollar-for-dollar matching grant — the Healthy Smiles, Healthy Kids Challenge — which inspired broad community support and more than 1,400 gifts.

Children's Wisconsin is honored to recognize the generosity of the following donors who made contributions to the Healthy Smiles, Healthy Kids Challenge.
