

Children's Wisconsin is committed to providing team members with a Total Rewards program that is both comprehensive and competitive. Total Rewards is our investment in you and benefits is a significant part of that.

The team member benefits program at Children's offers a variety of options to eligible team members. Our benefits program focuses on promoting flexibility as well as good health and wellness. You can choose the plans that fit your needs.

Please review the Children's Benefit guide for detailed information on the benefits programs available to you. Children's Benefit Guide will be sent to you by your recruiter, and you can also find it within Workday. You can review the benefits highlights by clicking the link below.
