

## Access Dashboard

The wait times below reflect the average lead time in days for new patients, calculated from appointment creation to scheduled date. Values shown are averages, not medians. Referrals may be triaged, and urgent patients are prioritized. These numbers do not account for wait lists.

**If you have any questions or concerns, please contact your physician liaison: [childrenswi.org/liasons](http://childrenswi.org/liasons).**

Department/Specialty	Average lead time in days		
	April	May	YTD
