fax (414) 607-5288

childrenswi.org/referral

- * Information required for **ALL ambulatory referral and ancillary orders**. Failure to provide this information will cause a delay in scheduling your patient's appointment.

- *Patient name and DOB*
- *Patient address and phone*
- *Name of parent or legal guardian*
- *Department referring to*
- *Diagnosis*
- *Referring provider name*

- * Referrals to **OT, PT, Speech** require an ordering provider signature

- *Forms available at*
childrenswi.org/forms

~~~~~

## — 4 ways to send referrals —

### EMR

#### **Submit an external referral order via your EMR. \***

Referral goes directly to our EMR and Central Scheduling will call your patient to schedule. Great way to share patient records.

### Online

#### **Submit online at [childrenswi.org/referral](http://childrenswi.org/referral).**

Central Scheduling staff will call your patient to schedule an appointment. This online form is **not** appropriate for any time-sensitive requests, lab or imaging orders, or ambulatory referrals to dental, neuropsychology, speech, physical or occupational therapy.

### Fax

#### **Send order to Central Scheduling at (414) 607-5288.**

Please send each patient's information under a separate cover sheet.

### Phone

#### **Call Central Scheduling at (414) 607-5280**

## Ambulatory Referrals

*\* To learn more about how to enter an external referral from your EMR directly to Children's Wisconsin Epic, please contact a physician liaison.*

## Lab

**childrenswi.org/labs**

- Lab appointments are **required**.

**\* Lab orders must be signed by the provider and must include all demographic information. Fax all lab orders to: (414) 266-2597.**

- Lab order requisition: **childrenswi.org/forms**

### ***Frequent user of Children's Wisconsin lab?***

***Contact a physician liaison to set up an Epic Care Link account with order entry.***

- \* Patient families can call (414) 607-5280 to schedule a lab appointment or schedule in MyChart.**
- \* When Central Scheduling is closed, the ordering provider can call (414) 266-2554, 24/7 for urgent, after-hours or same-day needs.**

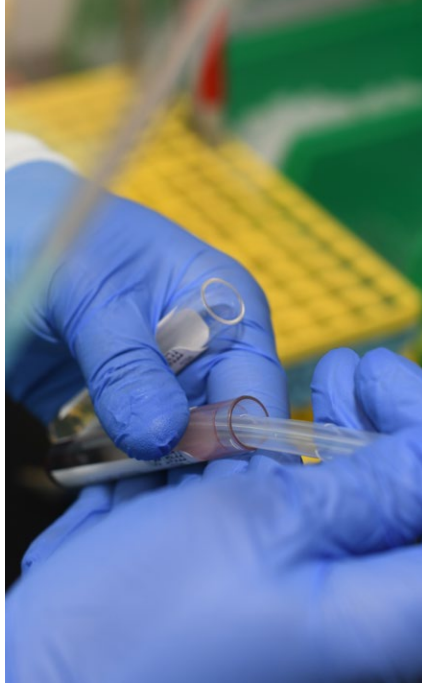

**CENTRAL SCHEDULING phone (414) 607-5280 / fax (414) 607-5288**

**Find Lab services  
at these Children's  
Wisconsin locations:**

- Appleton Clinic
- Delafield Clinic
- Kenosha Clinic
- Mequon Clinic
- Milwaukee Hospital campus
- New Berlin Clinic

\* *Hours of operation may vary. Please refer to **childrenswi.org/labs** for the most up-to-date information.*

## Imaging

phone (414) 266-3100

**childrenswi.org/imaging**

**\* Signed orders are required and must include all demographic information.**  
*All orders should be sent to Central Scheduling by fax at (414) 607-5288. Please ask families to **allow 24 hours** to process order and then call Central Scheduling at (414) 607-5280 to schedule appointment.*

- Order forms available at **childrenswi.org/forms**

- Appointments **required** for all imaging except plain film X-ray.
- If your patient needs a plain film X-ray and plans to go directly to a Children's Wisconsin site, please give them a paper copy of the order as they may arrive prior to order being processed.

### ***Frequent user of Children's Wisconsin imaging?***

**Contact a physician liaison to set up an Epic Care Link account with order entry.**

*Contact File Room to request or send us images at (414) 266-3125 (phone) or (414) 266-3107 (fax).*

*For urgent needs or to contact the imaging manager on call, please call the Children's Wisconsin operator at (414) 266-2000.*

**CENTRAL SCHEDULING** phone (414) 607-5280 / fax (414) 607-5288

Medical Director

**David Gregg, MD** (414) 266-2523

Imaging Director

**Joseph Adam** (414) 907-4979 [jadam@childrenswi.org](mailto:jadam@childrenswi.org)

**Find Imaging technologists  
at these Children's Wisconsin locations:**

- Appleton Clinic (920) 967-8115
- Delafield Clinic (262) 646-9814
- Good Hope Clinic (414) 266-2000 ***\*Opening 2025***
- Greenfield Clinic (414) 604-7520
- Mequon Clinic (262) 518-2667
- Milwaukee Hospital campus
- New Berlin Clinic (262) 432-7709

## Access Center

phone (855) 331-6300

**[childrenswi.org/access](http://childrenswi.org/access)**

Our Access Center helps new families from out of state coordinate visits to Children's Wisconsin.

They help:

- Gather medical records
- Coordinate and schedule appointments
- Assist with financial approvals and lodging

## Specialists

### **Michael J. Muriello, MD**

Interests: Pediatric and adult general genetics, Undiagnosed and Rare Disease Program, genomic medicine, connective tissue disorders, neurogenetics aortopathies

### **Jessica A. Scott Schwoerer, MD**

Interests: Genomics, metabolic disorders, newborn screening

## Advanced Practice Providers

### **Emily Brandl, APNP**

Interests: RASopathies and general genetic conditions

### **Gina M. Lewis, APNP**

Interests: Metabolic disorders including lysosomal storage disorders, RASopathies and general genetic conditions

### **Stephanie J. Offord, APNP**

Interests: Metabolic disorders including lysosomal storage disorders and general genetic conditions

### **Carolyn Scoptur, APNP**

Interests: Hereditary disorders of connective tissue (HCT) and general genetic conditions

### **Jennifer Stengrevics, PA-C**

Interests: RASopathies and acute inpatient genetic conditions

**CHILDREN'S WISCONSIN PHYSICIAN CONSULTATION LINE (800) 266-0366**

## Genetic Counselors

### **Rachel Aron, MS, CGC**

Interests: Inpatient genetic counseling, hereditary connective tissue disorders (HCT), congenital heart conditions

### **Hannah Brodner, MS, CGC**

Interests: Inpatient genetic counseling

### **Priyankar De, MS, CGC**

Interests: General genetic conditions

### **Cristin Griffis, MS, CGC**

Interests: Neurofibromatosis and RASopathies, chromosomal disorders, tuberous sclerosis, PLUGS

### **Brooke Henry, MS, CGC**

Interests: Neurofibromatosis and RASopathies and general genetic conditions

### **Braeden Hughes, MS, CGC**

Interests: Inpatient genetic counseling, imprinting disorders, hereditary connective tissue disorders (HCT)

### **Caroline A. Kielczewski, MS, CGC**

Interests: Inpatient genetic counseling, skeletal dysplasia, chromosomal disorders, genomic medicine

**Sarah Linn, MS, CGC**

Interests: Pediatric oncology, differences of sexual development

**Julie McCarrier, MS, CGC**

Interests: Genomic medicine, Undiagnosed and Rare Disease Program

**Lizzie Mealey, MS, CGC**

Interests: Neurofibromatosis and RASopathies and general genetic conditions

**Kaegan Mestel, MS, CGC**

Interests: Metabolic disorders, Turner syndrome

*\* Please use website for services and hours of operation.*

### Program Director

**Amy R. Romashko, MD** (414) 266-7432

### Urgent Care Services Director

**Laurie Smrz** (414) 266-3137

lsmrz@childrenswi.org

**CENTRAL SCHEDULING** phone (414) 607-5280 / fax (414) 607-5288

**Find Urgent Care  
at these Children's Wisconsin locations:**

- Children's Urgent Care – Delafield (262) 646-9977
- Children's Urgent Care – Forest Home (414) 567-5401
- *Opening 2025*  
Children's Urgent Care – Good Hope (414) 266-2000
- Children's Urgent Care – Kenosha (262) 891-6600
- Children's Urgent Care – Mequon (262) 518-2622
- Children's Urgent Care – New Berlin (262) 432-7599

# Urology

## CLINIC

phone (414) 266-6420 / fax (414) 266-1752

## OFFICE

phone (414) 266-3794 / fax (414) 266-6539

**childrenswi.org/urology**

**\*** *All referrals should be sent to Central Scheduling by fax at (414) 607-5288 or external referral via Epic:*  
**CHW UROLOGY CLINICS**  
*Please do not send directly to the clinic.*

## Medical Director

**Douglas W. Storm, MD** (414) 337-2036

Interests: Urinary tract infections, vesicoureteral reflux, prenatal urology, minimally invasive and robotic surgery, undescended testes, disorders of sexual development, hypospadias

- Bladder exstrophy
- Disorders of sexual development/ambiguous genitalia
- Hydronephrosis
- Fertility Preservation Program
- Renal calculi
- Sacral Neuromodulation Program
- Vesicoureteral reflux
- Voiding Improvement Program
- Uro/renal anomalies

## Urology Supervisor

**Amber Bergner, BSN, RN, CPN** (414) 266-5290

## Specialists

**Jonathan S. Ellison, MD** (414) 266-3794

Interests: Hydronephrosis, hypospadias, undescended testes, vesicoureteral reflux, kidney stone management and treatment and neurogenic bladder

**Travis W. Groth, MD** (414) 266-1656

Interests: Bladder exstrophy epispadias, kidney stone management and treatment, robotic-assisted laparoscopic surgery, UPJ obstruction, undescended testes and vesicoureteral reflux

**John V. Kryger, MD** (414) 337-7757

Interests: Ambiguous genitalia, bladder exstrophy epispadias, hypospadias, neurogenic bladder and urogenital sinus anomalies

**Elizabeth B. Roth, MD** (414) 337-7757

Interests: Ambiguous genitalia, bladder exstrophy epispadias, hydronephrosis including prenatally detected, hypospadias, kidney stone management and treatment, neurogenic bladder, robotic-assisted laparoscopic surgery

### Advanced Practice Providers

#### **Matthew J. Armstrong, APNP**

Interests: Urinary tract infection, circumcision evaluations, incontinence and vesicoureteral reflux

#### **Katherine E. Aussem, APNP**

Interests: Urinary tract infection, circumcision evaluations, incontinence, neurogenic bladder, pelvic floor biofeedback and vesicoureteral reflux

#### **Coleen W. Rosen, APNP**

Interests: Bladder exstrophy epispadias, urinary tract infection, circumcision evaluations, hydronephrosis, incontinence and vesicoureteral reflux

#### **Heidi H. Vanderpool, APNP**

Interests: Urinary tract infection, circumcision evaluations, incontinence, pelvic floor biofeedback, sacral neuromodulation and vesicoureteral reflux

#### **Find Urology specialists at these Children's Wisconsin locations:**
