Arlington County programs offer lots of choices, safe and inviting environments, and the chance for children to develop strong bonds with their community. Kids get their fill of thrills through sports; showcase their talents through the arts; reap the rewards of volunteerism; invigorate their imaginations through creative play; explore the outdoors through nature programs; and have adventures galore. All while making friends and lifelong memories. Summer is the perfect time to bring people together by nurturing a healthy development that helps young people grow up confident, caring and responsible.

Did you know that first day of camp registration is the busiest day for online registrations?

Make sure you get into the camps you want by preparing before the registration period begins. See [page 72](#) for great registration tips!

REGISTRATION FEATURE

Our Summer Camp registration will include an online virtual waiting room to help manage the high volume of customers.

On registration day, log in to the site as usual—all users logged before the start of registration will automatically enter a virtual waiting room where they will receive a random spot in line. Users who log in after registration begins will be placed at the end of the line. You will keep your place in the waiting room line even if your phone goes to sleep, you lose your internet connection or you close the virtual waiting room page, provided you log back in on the same device using the same browser. Once it's your turn to register, you will be redirected to the registration site where you can browse the site and complete your transactions at your own speed!

Registration Dates & Times

Registration for Summer Camp will open to Arlington County Residents on a rolling basis, staggering enrollments by camp provider type. Registration on all days will be available both online and by phone (703.228.4747) and will begin at 12pm (Noon). The catalog is organized into sections based on the registration dates:

- **Partner Camps**
Registration will open Wed., Feb. 11 at Noon. See [page 10](#).
- **Parks & Rec Camps**

- **Community Camps** manage their own registrations. See [page 52](#).

Early Registration for those who qualify for Fee Reductions, begins Feb. 2 @ Noon.

Wishlist Feature

To best prepare for registration, our system enables you to add camp selections to a Wishlist that you can return to later. Any camp or class can be added, even if it is not currently available for registration. When you're ready to register, you can do so directly from your Wishlist. Please note—adding camps to your Wishlist will not secure your place in a camp, you still need to add camps to your cart from your Wishlist once registration opens. Learn more on to use the Wishlist feature [here](#).

Pay in Full Now or Pay 50%!

When registering you will have the option to pay for your camp fees in full OR to pay 50% at time of registration and the remaining 50% by June 1st.

After selecting each camp, you will be prompted to select how you would like to pay. Please note, only core camp fees may be paid at the 50% rate. Extended hour fees must be paid in full at time of registration.

CAMP BASICS

Selecting the best camp for your camper doesn't have to be difficult. We have created a few tools to help you decide the best camp based on your camper's interests, the size of the camp, it's location and more! Use these tools as a reference when you review the camp guide.

What to consider when selecting your camp:

- 1 Ages of the Campers
- 2 Camper Interests
- 3 Location
- 4 Indoors or Outdoors
- 5 Overall Camp Size

Camp Size

- Less than 15 campers ▼15
- Less than 30 campers ▼30
- More than 75 campers ▲75

We recognize that camp size—that is, the number of campers per session—can be an important factor when deciding your camp. This year we've included a note at the end of camp descriptions if the number of campers is generally less than 15, less than 30, or over 75. Camps without this note will typically have between 30 and 75 campers per session.

Please note that program capacity for each camp may vary, and camp size notes are general categories. For example, a camp that has a maximum enrollment of 12 would be noted as Campers ▼15 (less than 15 campers).

Basketball & Sports Camp

One on One

This half day camp focuses on basketball and a variety of different sports. Campers will be put on teams and will play basketball and other fun games. Campers ▲75 **5**

Cupcake Wars 2.0

Tiny Chefs

Cupcakes have been the baked item of choice for several years now, and the Tiny Chefs' version of Cupcake Wars has been so popular we have had to create a "sequel" in order to introduce new recipes and competitions. In Cupcake Wars 2.0 we have gathered cupcake recipes that double as breakfast foods or drinks (what?!?), and that explore regional and international cuisines. On top of that we have included savory cupcakes! Don't worry, campers will still be competing in rotating small groups and learning decorating techniques. *See Disclaimer**.

Stage Door: Myth-Understood

Encore Stage & Studio

Two teens writing a report on Greek mythology are startled when they get a visit from Hermes, winged helmet and all! The messenger whisks them away to Mount Olympus, where various gods and goddesses retell their myths to the students in a more favorable light. From Medusa just wanting to be noticed to Eurydice quickly tiring of Orpheus's attention and Paris having to choose who to give his golden apple to on the reality TV show "Apple of His Eye," the two teens are surprised to hear different perspectives on familiar ancient Greek stories. The only problem is...the mythological figures might not exactly be telling the truth! This 2-week camp concludes with two fully staged performances—Thursday evening and Friday afternoon.

Waitlists

Arlington County camps are very popular. The sooner you register the more likely you will get the spot you want. Registrations will be processed to accommodate first and second choices. If an opening is not available, you can be placed on the wait list. Arlington County coordinators use waitlists to make decisions, and the County process many cancellations throughout the summer; therefore, there is a good chance that you can obtain a spot if you are placed on a waitlist early. Please do not call registration to ask the likelihood to obtain a spot; waitlist enrollments depend on the number of enrollees that cancel their spot. You can check your place in the waitlist by logging

into your account online (registration.arlingtonva.us) and selecting "My Account," "Print Household Roster," and Submit. Online registration confirmations can be printed using Adobe Acrobat 6.0 or higher.
