DISABILITY SERVICES

(PROGRAM ACCESS AND THERAPEUTIC RECREATION)

M-NCPPC, Department of Parks and Recreation, encourages and supports the participation of individuals with disabilities in all programs and services. The purpose of the Disability Services is to “provide Prince George’s County residents with disabilities opportunities to participate in community recreation programs of their choice.”

PROGRAM ACCESS AND INCLUSION SERVICES

The Department of Parks and Recreation is committed to delivering high-quality services and recreational programs that are inclusive and accessible to all patrons. M-NCPPC will make all reasonable modifications to ensure that people with disabilities have an equal opportunity to participate in and enjoy all of its programs, services, and activities. Program Access is committed to maximizing participation in its programs. Modifications are provided on an individual basis upon request. Specialized modifications require advanced notification to develop and implement programmatic changes. For more information, contact the staff at Program.Access@pgparks.com or 301-249-7200; Maryland Relay 7-1-1 for customers who are Deaf, Hard of Hearing, or have a speech disability.

WHAT ARE EXAMPLES OF DISABILITY MODIFICATIONS?

Modifications that may be available to promote successful participation in programs include: additional training of program staff; the provision of an enhanced staff/participant ratio; use of companions (family member, friend, or outside service provider arranged by the family); sign interpretation for the Deaf or Hard of Hearing; adaptive activity equipment and/or supplies; and accessible transportation when transportation is provided as part of an activity or program. Please note that while Inclusion Support Staff may be assigned to increase the staff-to-participant ratio in programs, participants can attend programs without direct support staff. General recreation staff are also trained in inclusive support strategies and participate in facilitating inclusion for all participants.

Support staff are hired for their flexibility, patience, and experience with recreation or caregiving. Staff are trained in disability characteristics and support strategies; however, they may not possess specific degrees or certifications in special education or behavioral support. Support staff support full inclusion and equal access to scheduled program activities by providing access to adaptive equipment, following recommended support strategies, and working alongside general staff to understand and support individual participant needs. Individualized programming is not provided. Support staff can support up to three participants in a program.

HOW DO I REQUEST DISABILITY MODIFICATION?

All disability modification requests for day camps should be noted on PARKS DIRECT accounts, and/or requested a minimum of two weeks before the start date of the program. For Program Access, contact the staff at Program.Access@pgparks.com or 301-249-7200; Maryland Relay 7-1-1 for customers who are Deaf, Hard of Hearing, or have a speech disability.

WHAT ARE THE MINIMUM REQUIREMENTS FOR SUCCESSFUL INCLUSION?

The exact minimum requirements that apply to a person without a disability also apply to a person with a disability. These include:

- Meeting the program’s age and registration requirements.
- Following the rules of conduct (with or without reasonable modification).
- Voluntary Participation Note: Recreation programs and activities are offered voluntarily. Participation will be encouraged and aided but not forced.
- Meeting the necessary level of participation with or without reasonable modifications (participant will engage in scheduled activities for the majority of the program time).
- Ability to use a consistent form of communication to indicate basic needs and follow simple directions; and
- Ability to function, with assistance, as a member of a group of 12 or more people. (Some camps may have up to 90 participants; contact the center directly to confirm camp registration numbers.)

WHAT SERVICES ARE NOT PART OF INCLUSION?

Program Access does not include the following:

- Provision of separate activities
- Exception (with or without modifications) to minimum compliance with program rules and regulations established for safety purposes.
- Hiring, selection, or guaranteed assignment of a specific staff member.
- Individualized therapy within a program.
- Medication administration (medication can be distributed by general program staff/health supervisors); and
- Provision and/or purchase of personal custom devices.

IS AN INCLUSIVE RECREATION SETTING THE RIGHT CHOICE AND/OR EXPERIENCE?

Observe the program first-hand and ask yourself...

- If your child is school-aged, do their current classroom activities or goals prepare them for an inclusive recreation experience?
- Has the individual shown an interest in program activity or subject matter?
- Are they comfortable and able to function appropriately, with or without assistance, in inclusive environments (malls, restaurants, parks, etc.)?

WHAT ARE THERAPEUTIC RECREATION PROGRAMS FOR INDIVIDUALS WITH DISABILITIES?

The M-NCPPC, Department of Parks and Recreation, offers choices (for Prince George's County residents only) through its provision of specialized therapeutic recreation programs for people with disabilities. Patrons have a wide range of abilities and diagnosis; some prefer and benefit from participating in highly structured, specialized programs designed specifically for participants with disabilities. TR camps are offered for small group sizes, utilize trained staff, adapted equipment, and activities accompanied by a high staff-to-participant ratio. Please refer to page 60 for TR Camp opportunities.

For more information, questions, or referrals related to eligibility requirements for programs, please contact the Therapeutic Recreation Staff at DisabilityServices@pgparks.com or 301-446-3400 (voice) or use Maryland Relay 7-1-1. Program spaces are limited and available on a first-come, first-served basis.

Therapeutic Recreation

Therapeutic Recreation camps are for Prince George's County residents only. Participants must meet the age requirements by the last day of the session to attend these programs. If you have trouble during registration, please contact the Customer Service Help Desk at 301-699-CALL (2255) or CustomerService@pgparks.com; or Maryland Relay 7-1-1 for customers who are deaf, hard of hearing, or have a speech disability.

NOTE: Camp fees for sessions during July 3 week are pro-rated.

Therapeutic Recreation: Camp RECreate

Get ready for a fun-filled summer out of school! Camp RECreate is a full-day camp designed for kids ages 6-12 with disabilities who will not be attending the Extended School Year (ESY). Children will build friendships while staying active in a variety of structured activities including swimming, arts & crafts, outdoor games, nature & sports activities, field trips, and more! The staff/participant ratio is 1:4 to allow campers independence in developing social skills and building confidence.

Servicios para personas con discapacidades

(acceso a programas y recreación terapéutica)

SERVICIOS PARA PERSONAS CON DISCAPACIDADES (ACCESO A PROGRAMAS Y RECREACIÓN TERAPÉUTICA)

M-NCPPC, Departamento de Parques y Recreación, fomenta y apoya la participación de personas con discapacidades en todos los programas y servicios. El propósito de los Servicios para personas con discapacidades es “brindar a los residentes del Condado de Prince George’s con discapacidades oportunidades de participar en programas de recreación comunitaria de su elección.”

ACCESO A PROGRAMAS Y SERVICIOS DE INCLUSIÓN

El Departamento de Parques y Recreación está comprometido a brindar servicios y programas recreativos de alta calidad que sean inclusivos y accesibles para todos los usuarios. M-NCPPC realizará todas las modificaciones razonables para garantizar que las personas con discapacidades tengan la misma oportunidad de participar y disfrutar de todos sus programas, servicios y actividades. El Acceso a Programas se compromete a maximizar la participación en sus programas. Se proporcionan modificaciones de forma individual a pedido. Las modificaciones especializadas requieren notificación anticipada para desarrollar e implementar cambios programáticos. Para obtener más información, envíe un correo electrónico a Program.Access@pgparks.com o llame al 301-249-7200; Maryland Relay 7-1-1 para clientes sordos, con problemas de audición o discapacidades del habla.

¿CUÁLES SON EJEMPLOS DE MODIFICACIONES PARA PERSONAS CON DISCAPACIDADES?

Las modificaciones que pueden estar disponibles para promover la participación exitosa en los programas incluyen: capacitación adicional del personal del programa; la provisión de una proporción mejorada de personal/participante; el uso de acompañantes (un familiar, un amigo o un proveedor de servicios externo organizado por la familia); interpretación de señas para personas sordas o con dificultades auditivas; equipos y/o suministros para actividades adaptadas; y transporte accesible cuando se proporciona transporte como parte de una actividad o programa. Tenga en cuenta que, si bien se puede asignar personal de apoyo de inclusión para aumentar la proporción de personal por participante en los programas, los participantes pueden asistir a los programas sin personal de apoyo directo. El personal de recreación general también está capacitado en estrategias de apoyo inclusivo y participa en la facilitación de la inclusión de todos los participantes.

Se contrata personal de apoyo por su flexibilidad, paciencia y experiencia en recreación o cuidado. El personal está capacitado en las características de la discapacidad y las estrategias de apoyo; sin embargo, es posible que no posean títulos o certificaciones específicos en educación especial o

apoyo conductual. El personal de apoyo respalda la inclusión total y el acceso igualitario a las actividades programadas del programa brindando acceso a equipos adaptables, siguiendo las estrategias de apoyo recomendadas y trabajando junto con el personal general para comprender y apoyar las necesidades individuales de los participantes. No se ofrece programación individualizada. El personal de apoyo puede ayudar hasta tres participantes en un programa.

¿CÓMO SOLICITO MODIFICACIONES?

Todas las solicitudes de modificaciones para los campamentos diurnos, incluyendo el programa de cuidado adicional “extended care,” deben indicarse en la cuenta PARKS DIRECT y debe ser solicitada por lo menos dos semanas antes de la fecha de comienzo del campamento. Para obtener acceso al programa, envíe un correo electrónico a Program.Access@pgparks.com o llame al 301-249-7200 (voz)/Maryland Relay 7-1-1 para clientes sordos, con problemas de audición o discapacidades del habla.

¿CUÁLES SON LOS REQUISITOS MÍNIMOS PARA UNA INCLUSIÓN EXITOSA?

Los requisitos mínimos exactos que se aplican a una persona sin discapacidad también se aplican a una persona con discapacidad. Estos incluyen:

- Cumplir con los requisitos de edad e inscripción del programa.
- Seguir las reglas de conducta (con o sin modificaciones razonables).
- Participación voluntaria (Nota: Se ofrecen programas y actividades recreativas de forma voluntaria. Se fomentará y ayudará la participación, pero no se obligará).
- Cumplir con el nivel necesario de participación con o sin modificaciones razonables (el participante participará en las actividades programadas durante la mayor parte del tiempo del programa).
- Capacidad de utilizar una forma consistente de comunicación para indicar necesidades básicas y seguir instrucciones sencillas; y
- Capacidad para funcionar, con ayuda, como miembro de un grupo de 12 o más personas. (Algunos campamentos pueden tener hasta 90 participantes; comuníquese directamente con el centro para confirmar los números de inscripción al campamento.)

¿QUÉ SERVICIOS NO SON PARTE DE LA INCLUSIÓN?

El Acceso al Programa NO incluye lo siguiente:

- Provisión de actividades separadas del programa
- Excepción (con o sin modificaciones) al cumplimiento mínimo de las normas y reglamentos del programa establecidos por motivos de seguridad.

- La contratación, selección o asignación garantizada de un miembro específico del personal.
- Terapia individualizada dentro de un programa.
- Administración de medicamentos (los medicamentos pueden ser distribuidos por el personal general del programa o los supervisores de salud); y
- Provisión y/o compra de dispositivos personales personalizados.

¿ES UN PROGRAMA DE RECREACIÓN INCLUSIVO LA ELECCIÓN Y/O EXPERIENCIA CORRECTA?

Observe el programa de primera mano y pregúntese...

- ¿Las actividades u objetivos actuales del aula escolar de mi hijo(a)
- le preparan para una experiencia de recreación inclusiva?
- ¿Ha mostrado mi hijo(a) un interés en la actividad del programa o en la materia?
- ¿Está mi hijo(a) cómodo(a) y puede funcionar adecuadamente, con o sin asistencia, en ambientes inclusivos (centros comerciales, restaurantes, parques, etc.)?
