

Have your say on the Old Bangalow Road rail bridge renewal project

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

Complete the survey to help us understand how the bridge renewal may impact you.

The bridge at Old Bangalow Road, Byron Bay requires renewal to better serve the community. The existing timber bridge will be demolished and replaced with a new steel arched bridge.

This work will take approximately five months to complete and is expected to take place between July and November 2025.

Why are we doing this work and what are the benefits?

We are doing this important work to improve the structure's integrity, performance and ensure safe use. As a part of the upgrade, UGLRL will replace the current timber bridge with a steel arch bridge and widen the bridge to allow for two-lane traffic.

The benefits of this project are:

- ease traffic congestion, reduce travel times and increase bridge use capacity.
- increase load limit to 42.5 tonne.
- improve quality and safety of the bridge to meet current engineering and road standards.

About the consultation

As part of this project, UGLRL will consult with the community and stakeholders to understand how the work may impact residents. We want to know:

- how residents and the surrounding communities use the bridge; and
- how the community might be impacted by the proposed work.

When does consultation open?

Consultation is open from **2 May 2025** until **31 May 2025**.

Meet the team

We encourage the community to attend the **Community Hub at The Bowlo, Bangalow**, to meet the project team, learn more about this project and to complete the survey. The details are:

Date and Time: 4pm – 8pm, Wednesday 28 May 2025

Location: 21 Byron Bay Road, Bangalow, NSW 2479

How to participate in this consultation

We have developed a survey and invite the community and stakeholders to share their thoughts. To complete the survey, you can:

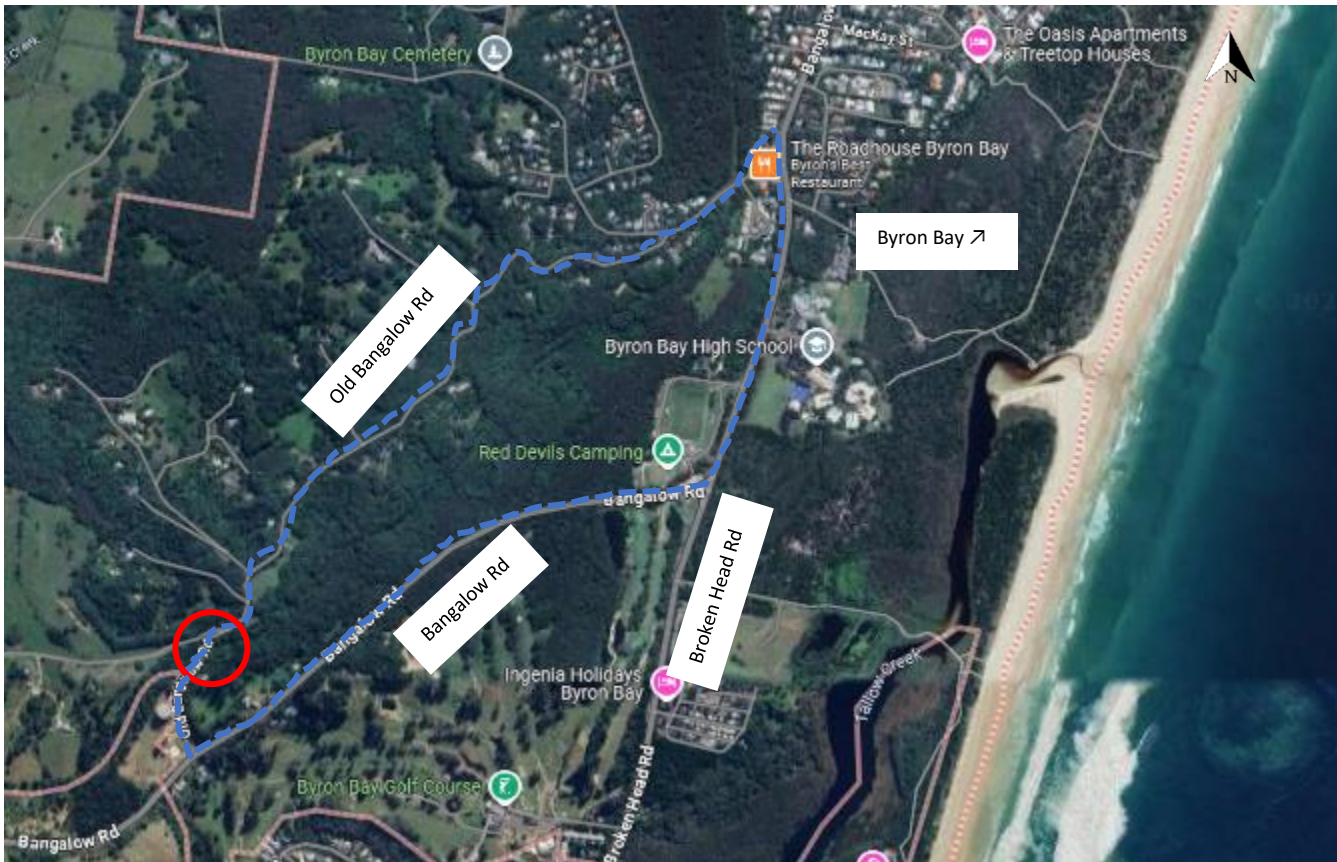

- Submit your feedback online at **bit.ly/oldbangalowroad-HYS**
- Email: enquiry@uglregionallinx.com.au
- Phone: 1300 661 390
- Complete a paper survey at the Community Hub at The Bowlo, Bangalow on 28 May 2025

Supporting Information

We have developed a project fact sheet which provides more information on the project. Please visit the website or contact the project team for more information. The factsheet is available on the website at **bit.ly/oldbangalowroad-project**.

Location of the site

The red circle identifies the worksite. The blue dashed line identifies the proposed detour.

Next steps

Once the survey closes, the next steps for the project are:

- assess all feedback
- develop a consultation summary report
- inform the community of the outcome.

Complete the survey

Scan the QR code or visit:
bit.ly/oldbangalowroad-HYS to
complete the survey.
