

Bridge repair works over the MacDonald River, Woolbrook

Community Notification

September 2026

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

UGLRL will carry out maintenance work on the bridge over the MacDonald River, Woolbrook between September and November 2026.

What work are we doing?

We will carry out bridge repairs to improve bridge stability, reliability and long-term performance to ensure the safety of all freight and passenger trains.

Work includes:

- establishing a temporary work site
- replacing bridge timbers
- undertaking structural reconditioning
- using light and heavy vehicles, machinery and hand and power tools.

When and where we'll be working

We'll be working on the bridge over the MacDonald River, Woolbrook from **Wednesday 23 September** to **Thursday 26 November 2026**, weather permitting.

Working hours will be **7am to 5pm** Monday to Friday and **8am to 5pm** Saturday to Sunday.

A map of the work location is provided over the page.

What will this mean for you?

You may notice:

- more workers and vehicles in the area
- noise from machinery and equipment during work hours.

Managing our impacts

UGLRL will minimise impacts on the community and environment where possible.

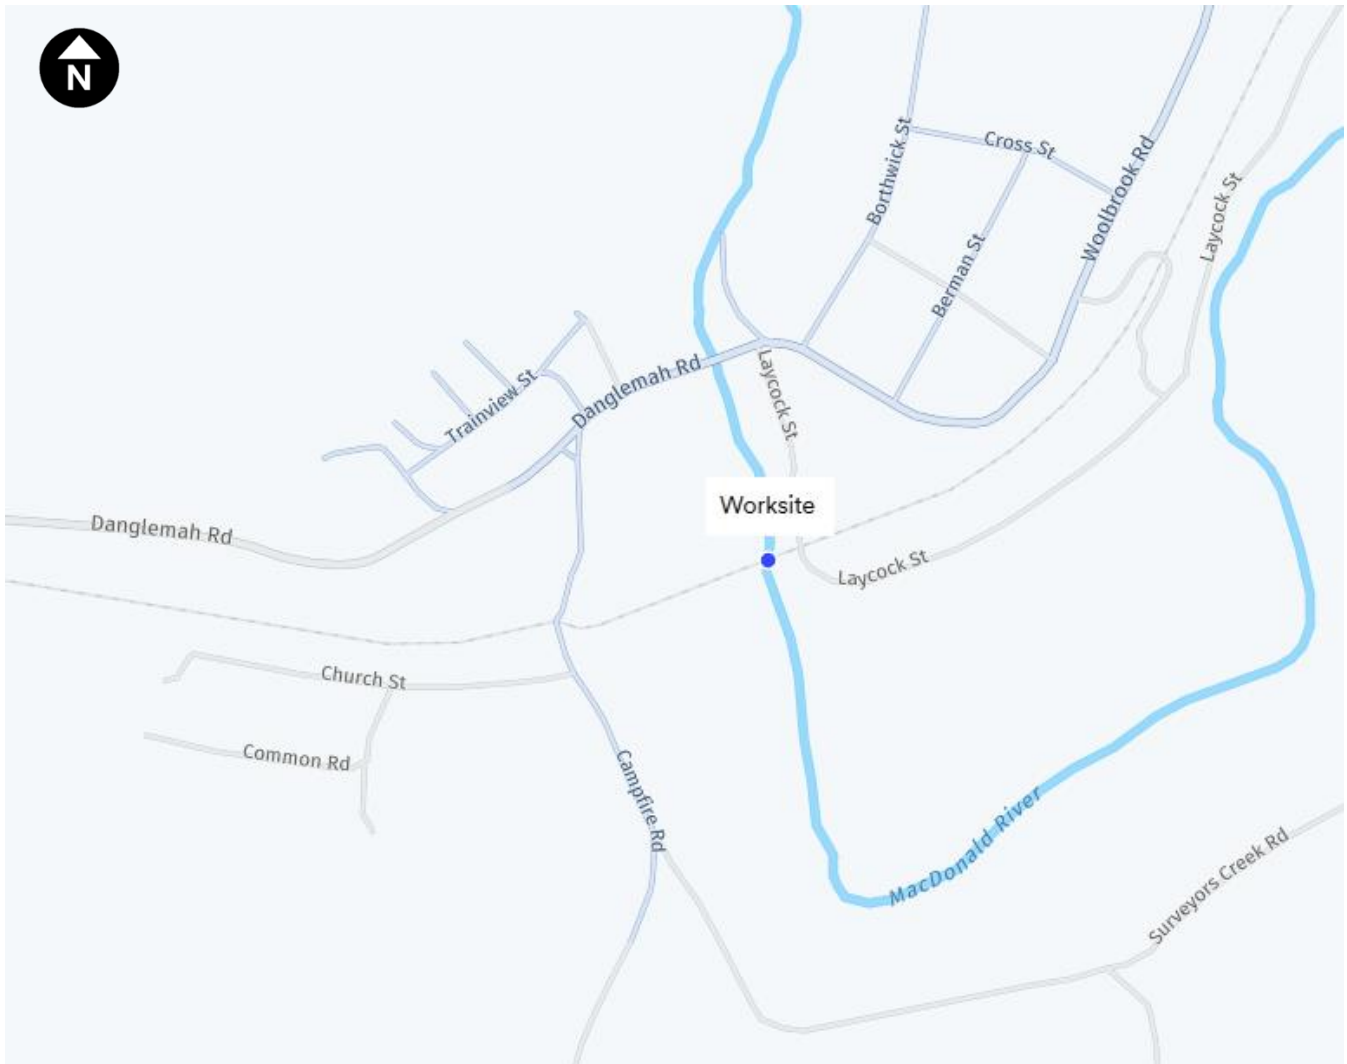

This includes:

- installing fencing to maintain site safety and security
- managing noise and work activities wherever practical

Location of work area

The blue dot indicates the site location over the MacDonald River, Woolbrook.

Further information

Working closely with the local community is a priority for UGLRL. If you have any questions or are likely to be impacted by this work, please contact the Project Infoline and provide the asset number: **UBN00510B**.
