

Delivery of ballast near Fred Kalms Road, West Wyalong

Community Notification

August 2026

UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

UGLRL is carrying out Ballast delivery work near Fred Kalms Road, West Wyalong in August 2026.

What work are we doing?

We will deliver ballast for future works.

Work will include:

- establishing a temporary work site
- unloading ballast
- using light and heavy vehicles, machinery and equipment

When and where we'll be working

We'll be working near Forbes Street, Trundle between **Monday 17 August to Tuesday 15 October 2026** from **7am to 6pm**, weather permitting.

Please refer to the map over the page for the work location.

What will this mean for you?

You may notice:

- more workers and vehicles in the area
- some noise from machinery and equipment.

Managing our impacts

UGLRL will take all reasonable and necessary steps to minimise community and environmental impacts during the work. This includes:

- reducing noise where possible
- managing vehicle movements within the work area.

Further information

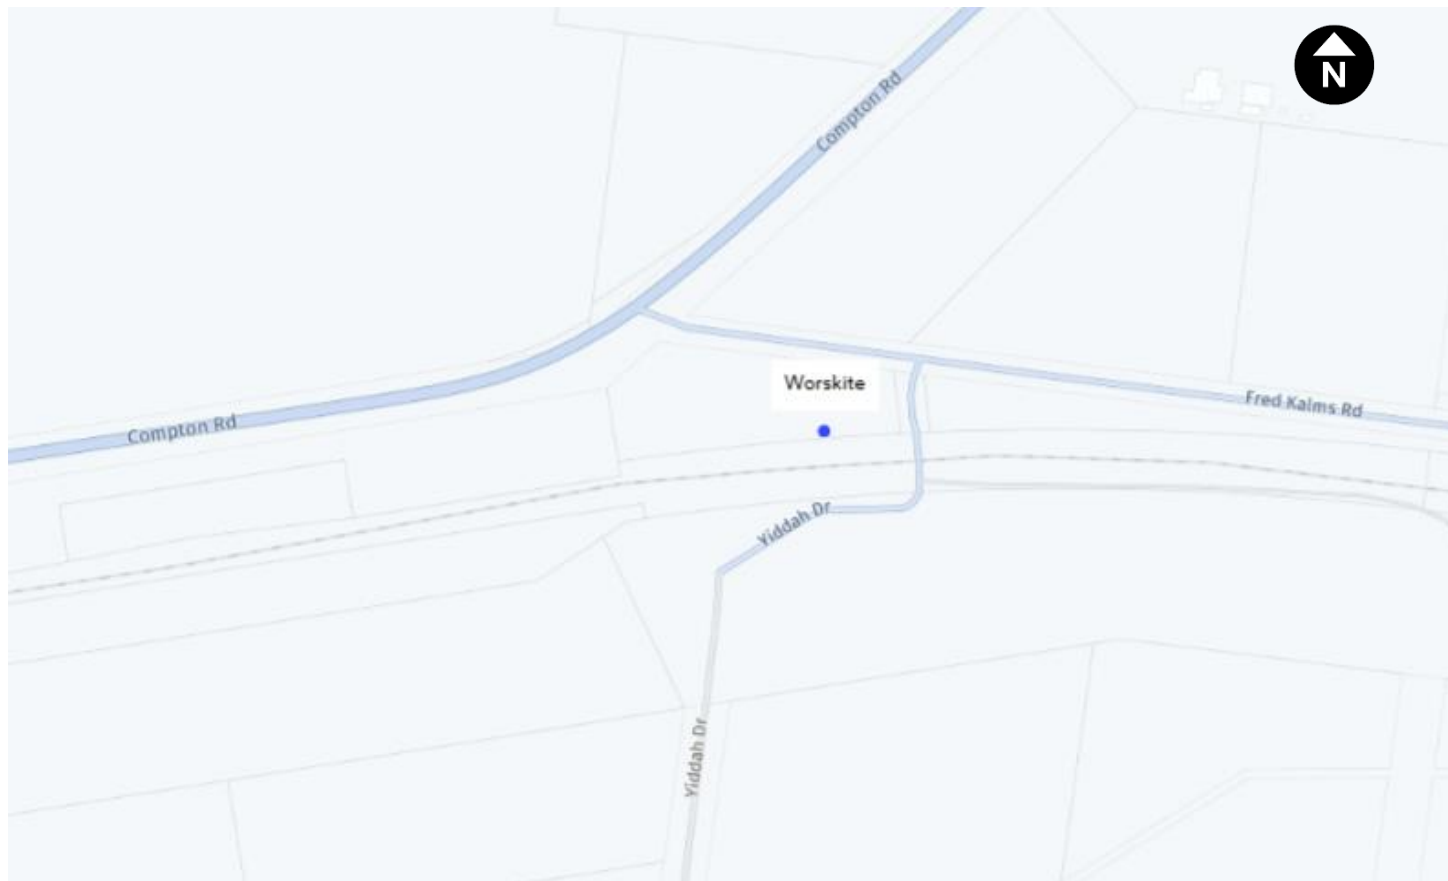

Working closely with the local community is a priority for UGLRL.

If you have any questions or are likely to be impacted by this work, please contact the Project Infoline and quote: **WEST WYALONG**.
