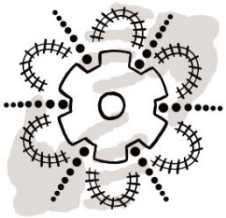
Track maintenance work between Nevertire and Warren

Community notification

September 2026



UGL Regional Linx (UGLRL) operates and maintains the Country Regional Network (CRN) on behalf of Transport for NSW.

UGLRL will carry out track maintenance work between Nevertire and Warren from 6 October 2026.

What work are we doing?

We'll carry out maintenance work on the railway track to improve track condition and support the safe operation of the rail network.

Work may include:

- establishing a temporary work site
- carrying out track maintenance and resurfacing work, including ballast renewal and track levelling
- using equipment and machinery such as light and heavy vehicles, and hand and power tools.

These works will not impact the running of scheduled train services.

When and where we'll be working

We'll be working between Nevertire and Warren from **Tuesday 6 October** to **Thursday 8 October 2026** between **7am and 6pm daily**, weather permitting.

Please refer to the map over the page to see the location of the work.

What will this mean for you?

You may notice:

- additional workers and vehicles in the area
- noise from machinery and equipment.

Managing our impacts

UGLRL will take all reasonable and practical steps to minimise impacts on the community and environment during the work, including:

- reducing noise as much as practicable
- managing vehicle movements within the work area.

Further information

Working closely with the local community is a priority for UGLRL. If you have any questions or are likely to be impacted by this work, please contact the Project Infoline and quote: **NEVERTIRE TO WARREN.**
