

# Visual Schedule: Today's Visit to the Dentist Office

When I get to the dentist's office, I wait in the waiting room. I can listen to music, hold hands, and hold my favorite toy. I listen for the assistant to call my name. Then, we go with the assistant.

There is a bright light to help the dentist see my nice smile.

I open my mouth big so the dentist can see my teeth.

open wide

They use a mirror to look and count my teeth. I keep my mouth open wide. The dentist brushes my teeth.
