

There's nothing like being there for our kids.

Nothing in this world can compare to it: the look in the eyes of a child you care for every day. This is why you chose nursing. This is why you should experience the exceptional environment of one of the world's elite pediatric institutions - where a holistic approach provides everything kids and their families need in one place.

Open House

Tuesday, November 17th

4:00 – 7:00pm

111 Michigan Ave., NW
Washington, DC 20010

Are you an experienced RN with adult med/surg, general pediatric, nursery or adult ICU experience who desires a change? If so, we want to talk with you. We will support your transition into the practice of professional pediatric nursing. You will learn the latest theories and skills from expert mentors in your choice of available specialty areas, which include:

- Ambulatory
- EMTC
- Operating Room
- Acute Care
- Critical Care

If you are unable to apply online before the event, please come prepared to submit your application online during the event.
