

Visual Schedule: Cast Removal

I sit on the bed. One of the staff asks me questions.

I can put on head phones. There will be a loud sound. The machine is big and loud.

There is a little round part that may tickle and feel warm on my skin.

The cast opener touches my cast.
I hear a crackling sound from the cast.

Visual Schedule: Cast Removal

The scissors cut the white wrap around my arm.

A baby wipe wipes my skin clean.
This feels cold and wet on my skin.

I lay my arm on the machine and stand still.
A picture is taken.

I am all done! I get a reward, like stickers,
for doing such a great job!!
