

Children's National™

Sickle Cell Disease Symposium Free CME Opportunity for Physicians

Children's National Health System is hosting a half-day symposium for pediatricians and community physicians focused on the management of patients with sickle cell disease (SCD).

Topics include:

- Current research and treatments
- Management strategies for asthma
- Reproductive issues

Pediatricians are welcome to join us in the afternoon for the sessions geared towards patients and families living with SCD, including:

- Orthopedic and Sports Medicine Considerations
- Complementary and Alternative Medicine Approaches to Care
- Optimizing School Achievement and Success
- Disability and SSI
- Advocacy
