

Thyroid Enlargement / Thyroid Nodule Flow Chart

Referring to Endocrinology for Thyroid Enlargement

- Fax lab results to 202-476-4095 with contact information for the family.
- The family will be contacted directly to set up an appointment.
- If an expedited appointment is required beyond our triage flow chart, contact our on-call doctor at 202-476-2121.
- All patients with thyroid nodule evaluation will be given an expedited appointment in the thyroid nodule and cancer clinic. A CD of thyroid ultrasound must be provided at the time of evaluation.
