

Q. How often does the health plan’s “peer” have the appropriate qualifications to assess and make a determination regarding the PA request?

Always: 2%
Often: 14%
Sometimes: 35%
Rarely: 32%
Never: 6%
Don’t know: 12%

Note: Percentages don’t sum to 100% due to rounding Excludes requests that were withdrawn or dismissed

Only 15% of physicians participating in P2Ps report that the health plan’s “peer” often or always has the appropriate qualifications.
