

SECTOR FOCUS

Consumer Goods, Food and Retail

Consumers and businesses worldwide are engaging and connecting in new ways every day as consumer habits change and the product landscape evolves. We're here to help break down barriers and create new frontiers.

Innovative sector focus

From deploying innovative products to leveraging digital marketing tools like NFTs to drive consumer engagement, we're on the cutting-edge of the consumer goods, food, and retail industry. We work side-by-side with industry pioneers and household names to maximize opportunities and mitigate risk.

Our industry approach allows us to build cross-practice teams equipped with deep industry knowledge to tackle challenges from all sides – no learning curve required.

Modern, dynamic guidance

In a world where innovation is everywhere and the marketplace changes fast, you need more than a good lawyer. You need industry-savvy advisors who keep you ahead of the curve, anticipating new challenges and finding better solutions to common hurdles.

Sustainability and ESG

Informed strategies for prioritizing environmental, social, and governance policies in business operations while increasing transparency to consumers and investors.

Disputes

Smart, creative strategies that quickly mitigate, limit, and resolve false advertising claims, intellectual property claims, and technology disputes.
