

The DIFC Family Wealth Centre

The most trusted ecosystem
for private wealth and family businesses

DIFC 
Family Wealth Centre

Future proofing the success of family businesses

The DIFC Family Wealth Centre (DFWC) is an ecosystem that provides best-in-class and tailored services for families with a long-term vision and global ambitions. We accompany and support family businesses in their journey to successfully preserve and grow their legacies across generations, as well as geographies.

- Certification of family businesses pertaining to governance, ESG standards, and best practices.
- Access to a trusted network of accredited professional advisors who are experts on family businesses matters, including experts in:
 - Family legacy and succession planning
 - Family business structuring and governance
 - Finance, investment, and insurance
 - International legal and tax advisory
 - ESG and sustainability advisory
- Exclusive education and leadership programs.
- Dispute resolution services.
- Concierge services.

Certification and accreditation will unlock incentives as well as benefits for both family business and professional advisors.

Independent and backed by one of the world's most advanced financial centres, the DIFC

#1 World class regulatory legal and regulatory framework.

300+ Wealth and Asset Management companies.

Ecosystem of more than 4,300 companies, many of whom support family businesses.

#1 Financial centre in the Middle East, Africa and South Asia region.
