Who can establish an Active Enterprise?

An Active Enterprise is a private company which can be established by a Qualifying Applicant:

Definitions:

Government entity:

- a. the Federal Government, the government of Dubai or the government of any Emirate;
- b. a person in which a government entity listed in (a) above owns (directly or indirectly) an interest of at least twenty five percent (25%) (or such other percentage approved by the Board of Directors of DIFCA); or is otherwise Controlled by a government entity listed in (a) above.

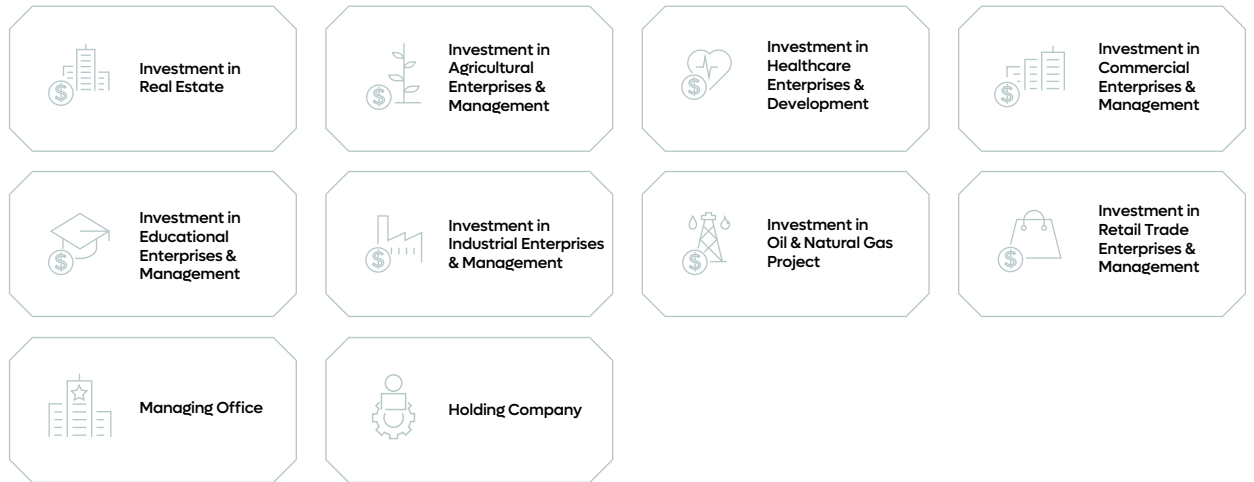

Family Operated Business with a large presence in the UAE:

means a business that meets the definition of a Family under the Family Arrangement Regulations and has a large presence in the UAE, that meets at least 2 of the following criteria:

1. total asset value of at least USD10 million;
2. at least 100 employees;
3. at least 30,000 sq. ft. of space in the UAE (including offices, retail, schools, manufacturing, etc.); or
4. all the shareholders are UAE nationals or the common ancestor for the business is a UAE national.

What business activities can an Active Enterprise carry out?

The Active Enterprise can be used for Holding Companies, Managing Office and/or Proprietary Investment activities

Two easy steps to start setting up your business

- 

1 APPLY FOR INITIAL APPROVAL
An application for initial approval is completed through DIFC portal. Information required will vary depending on the qualifying requirement.
- 

2 REGISTER WITH DIFC
Once Initial Approval application is submitted you may proceed with filling out the Register with DIFC application to speed up your on boarding process. However, please note that you can only submit it after the Initial Approval has been granted.
