

CASE STUDY: CROWE

ABOUT CROWE

Crowe is a multinational professional services network and a top ten global accountancy organisation by revenue. Consisting of more than 220 firms and over 40,000 employees in 130 countries, Crowe provides audit, tax, consulting, enterprise risk

and financial advisory services. Regionally, Crowe UAE was founded by Dr Khalid Maniar in 1981 as a sole practitioner, before developing into one of the country's top six accounting firms. Collecting numerous awards, including

'Best Tax and Audit Service Provider in UAE' at the Global Banking & Finance Awards, Crowe UAE has signed training agreements with local businesses such as Al Fardan Exchange and Dubai Jewellery Group.

ESTABLISHED: 1915
ESTABLISHED IN DIFC: 2006

// As a long-standing client in DIFC, it's been a pleasure to grow with the community, and diversify our business to support both executive and training services. As one of the country's top accountancy firms, we look forward to continuing our support of Dubai's journey as a global financial centre while providing the highest standards of professional services to our existing and future clients.

Dr Khalid Maniar, Founder & Executive Chairman, Crowe UAE **//**
