

Become a member of MEASA's largest family wealth ecosystem

DIFC   
Family Wealth Centre

## Future proof the success of family businesses and UHNWIs

Established in 2023, the DIFC Family Wealth Centre (DFWC) is a leading ecosystem that helps family businesses and ultra-high-net-worth individuals (UHNWIs) preserve and grow intergenerational wealth.

- Collaborate with an ecosystem of leading families and advisers.
- Connect with accredited advisers, governance and succession planning experts, consultancy firms, lawyers and fiduciary services providers.

### DFWC offers exclusive privileges

Special events and networking opportunities

Leading research and market insights

Webinars and workshops led by industry experts

Workspace solutions and business support

### DFWC facilitates accreditation services to ensure excellence

Partnership with leading third-party organisations to maintain the highest industry standards.
