

Future proofing the success of family businesses

The DIFC Family Wealth Centre (DFWC) is an ecosystem that provides best-in-class and tailored services for families with a long-term vision and global ambitions. We accompany and support family businesses in their journey to successfully preserve and grow their legacies across generations, as well as geographies.

We engage our ecosystem in three key ways:

- Global club membership with a peer group of exceptional families for unparalleled opportunity to learn, exchange and network
- Certification of family businesses pertaining to governance, ESG standards, and best practices.
- Accreditation of advisers who provide best-in-class services for family business matters, such as wealth planning, legal structures, governance, succession and dispute resolution

We provide our ecosystem of UHNWIs, families and professional advisers various privileges:

- Access to curated education and next generation programmes for principals, Board members, executives and next generation
- Access to VIP events and global forums for exclusive high-level networking
- Dedicated relationship manager who supports on a personalised journey
- Fast tracking of company setup in the DIFC
- Facilitating golden visa
- Complimentary access to the Private Register for Club and Certified members
- Complimentary access to the Family Business Register for Club and Certified members, unlocking governmental incentives.
- Preferred rates with our ecosystem partners
