

Experience Begins Here

DIFC

Zabeel District

We are thrilled to introduce DIFC Zabeel District—a place where the technologies of tomorrow live alongside abundant levels of greenery and thriving biodiversity. DIFC Zabeel District brings together next-generation business ecosystems, thoughtfully designed residences, and a richly layered public realm—where uniquely curated open spaces and parks will be filled with abundant levels of greenery and thriving biodiversity, underpinning healthier working, living and social connections.

Inner Circle

A continuous 2km loop designed to support healthier, more connected lifestyles.

The Boulevard

The District's signature spine for retail, culture and activations will be a walkable destination where commerce, creativity, and community intersect.

Zabeel Village

A people-first district that invites professionals, residents, and visitors alike to gather, unwind, and connect—day and night.

DIFC Zabeel District stands as a testament to Dubai's ongoing commitment to progress, innovation, and global connectivity. It's not just a place—it's a lifestyle.

DIFC Zabeel District,
launching now.
