DIFC GOVERNMENT SERVICES OFFICE

The Government Service Office was established to extend the support of Federal Authority for Identity and Citizenship – Dubai (GDRFA) to clients registered with DIFC. It has since become a one-stop-shop for a large number of visa related services such as Employment visa services, Visit Visa Services, Dependent Visa Services, Non DIFC sponsored employment services, etc.

The DIFC government service office Client Handbook – Employee Services is a detailed guide covering all aspects of employment visa related applications. The menu provides a comprehensive list of services offered by the Government Service Office, including the following details for each service:

- Definition
- Application process
- Documents required to be uploaded along with the application
- Original Documents required for the service
- Service Fees and timeframe

DIFC CLIENT PORTAL

The DIFC client portal is a system dedicated to provide DIFC registered entities with various online services such as company and employee services. Through ‘Employee Services’, DIFC entities can apply for any of the services offered by Government Services Office such as new employment visa, renewal, cancellation, etc. The portal also facilitates the submission of dependent visa packages and a range of other optional services.

The initial user of the company account will be granted Super User access privileges which will allow him or her to add users, remove users or edit user’s access. For more details on User access, please click [here](#).
