Zabeel District

Set to redefine Dubai's skyline, DIFC Zabeel District is a bold re-imagining of modern urban living.

A vibrant mixed-use ecosystem with offices, AI campus, Art Pavilion, luxury hospitality, conference centre, elegant residences and a host of amenities and retail experiences.

The Boulevard - The district's signature spine for retail, culture and activation will be a walkable destination where commerce, creativity and community intersect.

Inner Circle - A continuous 2km landscaped loop designed to support healthier, more connected lifestyles.

Connectivity - The district is seamlessly connected to DIFC Gate District through a dedicated bridge and will be integrated with the Future Loop, which is planned to link the metro station, Emirates Towers, Museum of the Future and Dubai World Trade Centre.

The Residences by DIFC marks the first residences in this transformative new district.

A new chapter in DIFC's illustrious legacy where life is enriched by a seamless blend of work, play, art, wellness, and culture.

The residential experience at The Residences by DIFC, is conceived as a refined and timeless environment, where hospitality-inspired comfort is seamlessly integrated into everyday living.

Panoramic views across Dubai and a curated suite of wellness-focused amenities.

The two towers are masterfully positioned, offering seamless access to the vibrant inner green circle of DIFC Zabeel District.
