7 MAGIC INGREDIENTS

In every dish, it's a surprise which of the 7 magic ingredients our chef has added.

DRAGON'S BREATH

This is a rare and valuable ingredient that can only be obtained by tickling a sleeping dragon. It has a salty, smoky flavour that gives your dishes a fiery kick.

FAIRY DUST

This is a fine, glittery powder that comes from the wings of fairies. It has a sweet, floral taste that gives your dishes a magical touch. It can also boost your mood and amplify your dreams.

GOLD

This is a precious metal that symbolises wealth and power. The mine workers take this substance out of the old mine from 1898. It has a shimmery flavour that adds a touch of luxury to your dishes. It can also attract gnomes...

PRINCESS TEARS

These are the tears of a princess who has cried for her lost love. Unlike ours, princess tears have a sweet, fruity taste. But her tears can bring you happiness.

NECTAR

The bumblebees in Efteling are very special. They collect not only pollen but also a special sap. This is only possible here, because the flowers in Efteling are in a World of Wonders. It has a spicy, honey flavour that makes your dishes taste divine. It can also boost your energy and increase your wisdom.

GUNPOWDER

This is an explosive herb that is used to fire cannons. It's spicy and tingling, and it gives your dishes a popping flavour. It can also strengthen your courage and make you adventurous.

SNOW

This is the snow that comes from Mother Holle's quilt. It has a cold, refreshing taste. It can preserve your purity and bring you joy.
