Disciplinary Information:

Kenny DuPré has no disciplinary history required to be disclosed by the U.S. Securities and Exchange Commission or state regulatory authorities.

Other Business Activities:

Kenny is a registered representative of United Planners Financial Services of America. In this separate capacity sells securities products to clients and receives commissions. This is a potential conflict of interest since any commissions earned could be in addition to advisory

fees earned in capacity as an investment advisor representative. As a registered representative, Kenny receives 12 (b)-1 fees (annual marketing or distribution fees) paid by mutual funds. Receiving 12(b)-1 fees represents an incentive to recommend funds with 12 (b)-1 fees or with higher 12 (b)-1 fees than funds with no fees or lower fees. This is a potential conflict of interest.

Clients are free to select any broker/dealer they wish to implement securities transactions and could receive comparable service from other sources at lower cost. However, if clients select Kenny to implement securities transactions, we are required to use United Planners Financial Services of America because of affiliation as a registered representative. Further, is restricted to only offering those products and services that have been reviewed and approved for offering to the public by United Planners Financial Services of America and for which the broker/dealer has obtained a selling agreement. Kenny only recommends mutual funds and other investment products to clients if they are suitable for the client and appropriate to fulfill client's objectives.

Kenny is also licensed as an insurance agent and sells insurance products to clients through Eide Bailly Agency, LLC or through insurance companies and receives commissions when doing so. This is a potential conflict of interest, since commissions earned could be in addition to advisory fees earned in the capacity as an investment advisor representative. Clients are never obligated or required to purchase insurance products from or through Kenny or Eide Bailly Agency, LLC, and may select any independent insurance agent and insurance company to purchase insurance products. Regardless of the insurance agent selected, the insurance agent or agency will receive normal commissions from the sale.

Kenny spends the majority of the workweek providing financial planning and asset management to clients. A small amount of time is also spent volunteering in the community outside of normal securities trading hours.

Additional Compensation:

Kenny does not receive any additional economic benefits or compensation such as, but not limited to, sales awards, other prizes and from any other source outside of Eide Bailly Advisors, LLC., wholly owned and operated by Eide Bailly LLP.
