

Adding Eide Bailly LLP as an accountant user in your QBO File:

1. Log into your QuickBooks Online file.
2. In the upper right of the screen, select the gear icon.
3. In the gear menu, select "Manage Users", located under "Your Company" on the left-hand side of the gear menu drop-down.

4. In the Manage Users screen, click on the "Accounting Firms" tab across the top.
5. Click on the green "Invite" button.

Manage users

6. In the invite screen, make sure you are adding an accounting firm, and then input Eide Bailly's information. The email address is: qbo1@eidebailly.com

Add a new accounting firm

Select how you'd like to invite your accountant.

Your accountant and members of their firm will have admin access to your company data. This invite expires after 30 days.

☒ Enter my accountant's email

First name (primary contact)

Eide

Last name (primary contact)
