

CORE CONTRACT NEGOTIATIONS

Building success, together.

We Help You Navigate

- Comprehensive core system evaluation
- Negotiating service level agreements, pricing, liquidated damages, early termination, and deconversion
- Vendor research, evaluation, and selection
- Risk mitigation and regulatory alignment
- Future value-add products and service negotiations

Our Work in Action

Facilitated contract negotiations for a multi-holding company financial institution.

The result: Millions in bottom-line savings and improved technology partner relationships.

Provided consultative leadership for smaller financial institutions, as well as institutions that are looking for fintech products and services.

The result: Enhanced operational efficiency and relationships with new, core agnostic solutions.

Real Results

- ✓ 5k+ Financial services clients
- ✓ Millions saved through strategic contract negotiations
- ✓ 80+ years of industry experience
