ASP Seminar – Save the date

20 October 2023

We're pleased to announce Customer Network Solutions will be hosting an ASP Seminar on Friday 10 November.

We will be discussing topics including our digital transformation, safety, authorisations, life support customers, minimum design standards and more.

The confirmed agenda will be sent out closer to the date along with a calendar invitation and Microsoft Teams link. We will be aiming to start the day at 10am and conclude at 3pm, with a 30 minute lunch break in the middle.

All sessions will be recorded and posted to the ASP Portal for those who cannot attend.

Kind regards,

Customer Network Solutions
