## **EnviroGIS update**

23 October 2023

As per recent correspondence, we have now decommissioned our previous ArcGIS platform.

To ensure continued ease of use, you can now access EnviroGIS on the new platform. [Click here to access the new ArcGIS platform homepage](#), where you can easily navigate to EnviroGIS.

### **Troubleshooting**

If you haven't yet registered for the new ArcGIS platform, you can do so here: [Remote Access for ASPs](#)

If you have been given log in details to the new ArcGIS platform but are still experiencing issues, please call our help desk on 9853 6888.

Kind regards,

**Customer Network Solutions**
