## **Support over the holiday season**

6 December 2023

We understand that most of you are taking a well-deserved break over the Christmas period. Most of our Customer Network Solutions team will also be taking a break, leaving behind a core team to deal with any urgent needs.

We appreciate your understanding as response times may be delayed during this period of reduced capacity between 22 December and 14 January.

Should you need any support during this time, please do not hesitate to contact your project contact, or call us on 02 9853 7977. Alternatively, for all IT related issues, please call 02 9853 6888.

We look forward to working with you in 2024 and we wish you a joyful holiday season and a prosperous New Year.

Kind regards,

**Customer Network Solutions**
