Planned Maintenance GISCAD Export

29 July 2024

As part of Endeavour Energy's continuous commitment to enhancing our system's capabilities, we are planning scheduled maintenance on the GoAnywhere Agent Application on **Monday 29th July from 6.30pm - 8.00pm**. As a result, GISCAD Export will be unavailable during this time.

If you are logged in during the maintenance timeframe, you may experience disconnections or timeouts. If this occurs, please attempt to log in again after the maintenance window has ended.

We apologise for any inconvenience this may cause and appreciate your patience and understanding.

Kind regards,

Customer Network Solutions
