Support over the holiday season

10 December 2024

As the Christmas season approaches, we recognise that many of you will be enjoying a well-deserved break. Our Customer Network Solutions team will also be taking time off, with a core team remaining available to address any urgent matters.

Please note that response times may be slower between **23 December** and **13 January** due to reduced capacity. We appreciate your understanding during this period.

If you require assistance, feel free to reach out to your project contact, call us on 02 9853 7977 or email cwadmin@endeavourenergy.com.au. For IT-related issues, please contact us on 02 9853 6888.

We look forward to continuing our partnership in 2025. Wishing you a joyful holiday season and a prosperous New Year!

Kind regards,

Customer Network Solutions
