Register Now - ASP Seminar on Monday 25 August

1 August 2025

We're pleased to invite you to Endeavour Energy's upcoming ASP Seminar, being held via Microsoft Teams on Monday, 25 August, from 10am to 3pm.

This ASP Seminar will bring together Level 1, 2 and 3 ASPs for a series of important updates and insights.

What's on the agenda?

You'll hear directly from Endeavour Energy leaders and guest presenters on topics including:

- Process transformation and the Voice of Customer
- The future of the grid, EVs and flexible exports
- ASP Scheme Review (presented by Markus Meier-Lindner from the Department of Climate Change, Energy, the Environment and Water)
- Updates to standards, safety, GIS, and minimum design requirements

How to join

[Click here to register for the webinar](#). Once registered, you'll receive a calendar invite with the joining link.

Got a question for the panel? We're inviting ASPs to submit questions in advance so we can address what matters most to you. [Click here to submit your question](#).

The session will be recorded, and presentation slides will be made available, for those who can't attend live.

Kind regards,

Customer Network Solutions
