### **ASP Seminar - Slides, Video Links & Follow-up**

30 September 2025

Thank you to everyone who attended the August ASP Seminar. It was great to engage with you, and we sincerely appreciate the respectful conversation and valuable contributions throughout the sessions.

The presentation slides have now been uploaded to the ASP Portal under *Forms and Procedures > ASP Seminars*.

All questions raised during the seminar (whether asked in the call or in the Teams chat) have been captured and included in the slide deck for easy reference.

Video recordings of each session are available at the links below:

- Session 1 – [CNS update](#)
- Session 2 – [Flexible exports and emergency backstop](#)
- Session 3 – [ASP Scheme review update](#)
- Session 4 – [Standards update](#)
- Session 5 – [Safety](#)
- Session 6 – [ASP submission validation app](#)
- Session 7 – [GIS and systems update](#)
- Session 8 – [EIA - from paper to PEGA](#)
- Session 9 – [General Q&A](#)

As always, we value and welcome your feedback. Please [click here](#) to share your thoughts on the seminar.

Kind regards,

**Customer Network Solutions**
