

# Office Sharing Register

Date of update: 01 April 2026

Endeavour Energy's Office Sharing Register is maintained and made publicly available in accordance with clauses 4.2.4(a)(i) and (b) of the Australian Energy Regulator's (AER) Electricity Distribution Ring-fencing Guideline.

The table below lists the offices to which Endeavour Energy has not applied clause 4.2.1(a), by reason of clauses 4.2.1(b)(i) or 4.2.1(b)(iii).

Office Location	DNSP Staff	RESP Staff	Ring-fencing controls	Exemption / Waiver
<i>Please provide the name of the suburb, town or LGA of the office.</i>	<i>Please describe what duties are performed by DNSP staff in this office.</i>	<i>Please describe what duties are performed by RESP staff in this office.</i>	<i>Please briefly explain any relevant controls for this office that reduce the risk of ring-fencing breaches eg. ring-fencing training, information controls, physical separation</i>	<i>Please state the exemption or waiver being used for sharing this office eg. 4.2.1(b)i or 4.2.1(b)iii. If using a waiver, please provide a link to the waiver.</i>
Glendenning	- Endeavour Energy operates a Central Logistics Facility (CLF) at Glendenning.	The Related Electricity Service Provider provides Contestable Electricity Services at Glendenning.	<ul style="list-style-type: none"> <li>- Mandatory Ring-fencing training and awareness for all permanent staff.</li> <li>- RESP staff are co-located with DNSP staff that do not have access to ring-fenced information.</li> <li>- Physical separation of Central Logistics and RESP staff through allocation to separate, designated areas.</li> <li>- Quarterly review of physical access to Glendenning.</li> <li>- Compliance with Ring-fencing Controls at Glendenning is supported through ongoing monitoring by Regulatory Assurance, including review of any changes to the operating environment.</li> </ul>	4.2.1(b)(i)
