

Electricity Safety Week

- **Get creative**
- **with our**
- **Electric Kids**
- **Competitions!**

WIN one of TWO \$500 donations to your school P&C Association and great student prizes.

This year we have TWO competitions for NSW primary schools, **Be an Electric Kid Superstar Colouring Competition for Kindy to Year 3** and **Be an Electric Kid Superhero Comic Strip Competition for Years 4-6**. The students who win one of two \$500 prizes for their school's P&C Association also win a \$100 gift voucher.

Enter now!

**Be an Electric Kid Superstar Colouring Competition for Kindy to Year 3 OR
Be an Electric Kid Superhero Comic Strip Competition for Years 4-6**

1. Simply photocopy the Colouring template (K-Yr3) or Comic Strip template (Yrs 4-6) provided in the resource pack and encourage your classroom to get creative. You can also print the templates online at www.endeavourenergy.com.au/electric-kids.

— Ask your K-Yr3 students to select and colour one of the two key electrical safety message Colouring templates

OR

— Ask your Yr4-Yr6 students to create Electric Kid Hero and show their superhero helping people stay safe around electricity, by highlighting one or more important electricity safety messages.

— Remind your students to fill out their name, school and year at the bottom of their competition entry and encourage them to create textures and colour by using different materials

2. Read the full terms and conditions at www.endeavourenergy.com.au/electric-kids. Each competition must be entered by the appropriate age group

3. Teachers submit entries on behalf of your student(s)

— Photocopy and complete the class entry form overleaf (one per class) then either scan and email your entry form and posters to competition@endeavourenergy.com.au

OR post to: Endeavour Energy – c/o Tracey Young
Endeavour's Electric Kids Poster Competition
PO Box 811,
SEVEN HILLS NSW 1730

OR Complete the online class entry form www.endeavourenergy.com.au/electric-kids (one per class) and email with your class completed posters and/or comic strips to competition@endeavourenergy.com.au

Avoid playing near powerlines

Never play on or near electrical equipment

Water and electricity don't mix

Never put a metal object in a toaster or powerpoint

If you see a dangerous situation, tell an adult

For full terms and conditions visit www.endeavourenergy.com.au/electric-kids

Original posters and entry forms can not be returned.
