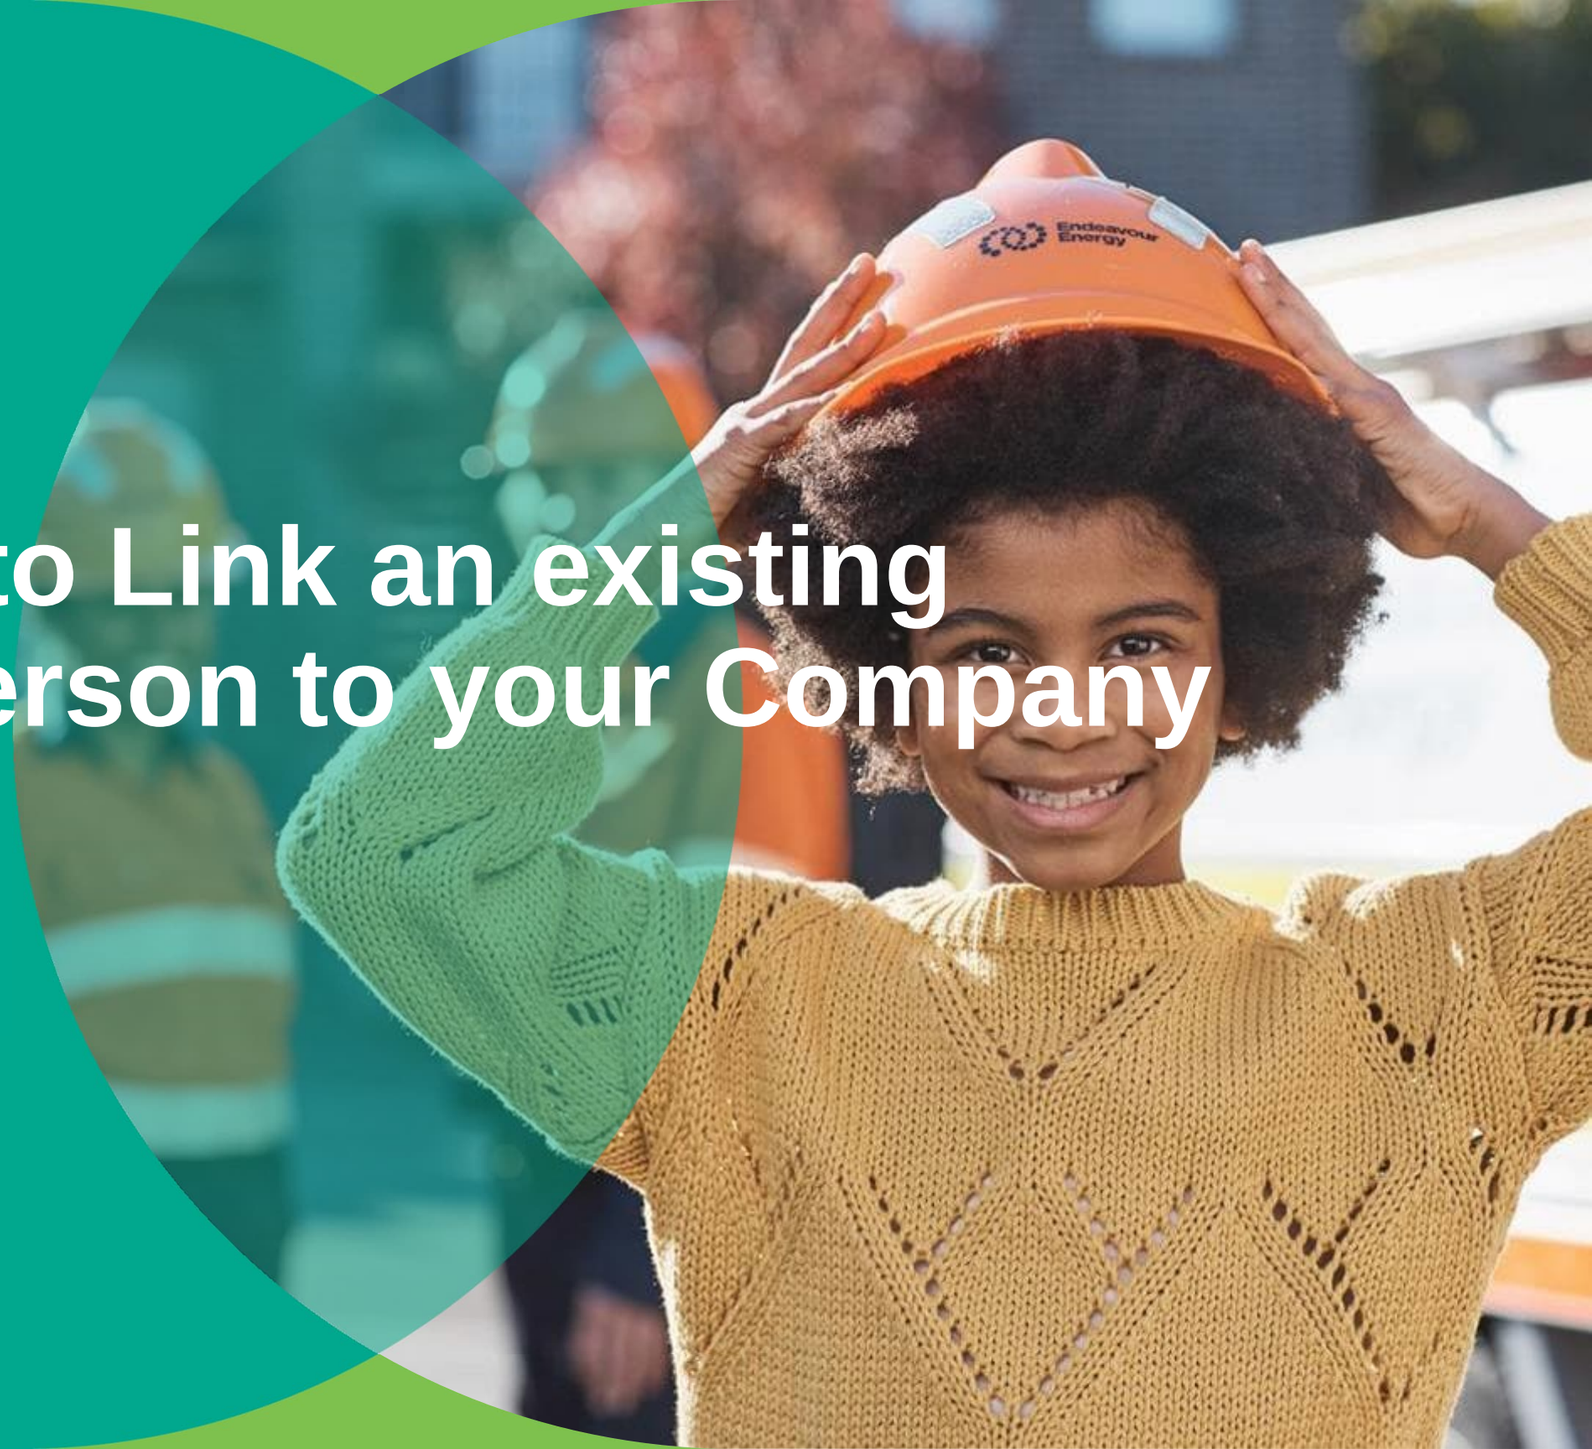
Endeavour Energy

A Guide how to Link an existing Authorised Person to your Company Profile



POWER together

To link an existing authorised person in Beakon to your company profile, you must have the following details

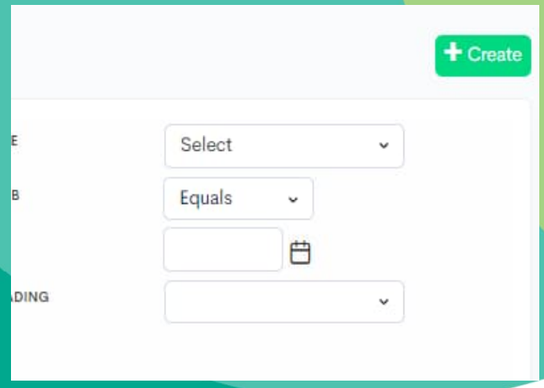
- First Name

- Last Name

- D.O.B.

Hover over the top of ASP/AUP, or click on the small down arrow

Click on Create in the ASP/AUP Area



Endeavour Energy

POWER together

- Enter First Name, D.O.B. and Last Name
- Tab across and if the AUP exists it will ask you if you wish to Link Profile
- Once profile is linked click Save.
- Then continue to add the authorisations, and other documents if required.
